

Amendments to the Specification:

Please amend the specification as follows:

Please replace paragraph [0024] with the following rewritten paragraph:

[0024] The term "PML" refers to Printer Management Language, which has been developed by the Hewlett-Packard Company of Palo Alto, Calif. Further description of PML can be found at <http://www.hp.com> or at <http://www.hpdevelopersolutions.com>, by entering a user name, a user selected password, and by joining a solutions provider program. More particularly, a PML Protocol Specification, Hewlett-Packard Company, Nov. 18, 1998, Revision 2.3 is available therein, and is hereby incorporated herein by reference.
